

# Site Report

- RIT Research Computing
- Gurcharan S. Khanna, gurcharan.khanna@rit.edu, 585.475.7504
- <http://rc.rit.edu>
- SURAgriid Activities
  - Research Applications (Areas of emphasis/new initiatives)
    1. Migrating from SGE to SLURM for more fine-grained control
    2. Using disk benchmarking tools to optimize/balance two 48TB file servers
    3. Developing user/process statistics collector
    4. RIT Global Collaboration Grid--Building Connected Communities
  - Community building participation: All-hands meeting
  - "Research Computing Resources", slide presentations to PhD students and Directors, Pls include mention of SURAgriid as a resource
